EDUCATION

United College of Engineering and Research
B.Tech - Information Technology -

2020 – 2024
Prayagraj, Uttar Pradesh

Lions school, Mirzapur
CBSE(Intermediate)

2018 – 2019
Mirzapur, Uttar Pradesh

Lions school, Mirzapur
CBSE(High School)

2016-2017
Mirzapur, Uttar Pradesh

COURSEWORK / SKILLS

- Database Management System (DBMS)
- Oops Concepts
- SQL
- Python

EXPERIENCE

Python Developer Intern at CodSoft |

July 2023 - August 2023

- Developed Python programs to enhance security measures, including a password generator.
- Designed and implemented a user-friendly to-do list application using Python and Flask framework.
- Utilized Python libraries and frameworks such as Tkinter for creating GUI applications, enhancing user interaction and experience.

PROJECTS

My Price Predictor |

2024

- Developed and implemented a Price Predictor application leveraging advanced data analysis and machine learning techniques.
- Designed an intuitive user interface for seamless user experience across multiple platforms..
- Customized parameters to cater to individual user preferences and risk profiles.

Password Generator |

2023

- Developed a password generator application using Python.
- Customizable options including password length, character types, and special characters..
- Designed a user-friendly interface for easy navigation and usage.
- Implemented algorithms to generate strong and secure passwords based on user-defined criteria.

ToDoList |

2023

- Implemented features for adding, editing, and deleting tasks.
- Designed a user-friendly interface for seamless task management.

TECHNICAL SKILLS

Languages: Python, SQL, C, C++, R

Database management: SQL, MYSQL

Technologies/Frameworks: NumPy, Pandas, Tkinter, Scikit-learn, Matplotlib.

Developer Tools: VS Code, PyCharm, Jupyter Notebook.

CERTIFICATIONS

- Python Developer - CodSoft

EXTRACURRICULAR

- NSS Member from 2022 to till now
- Actively participated in several coding competitions that helped me to improve my skills and staying updated on latest technologies
